Subject Diamond Alkali -LPRSA - Marcal Claim

Dear Mr. Gline:

I am forwarding to you the two documents that I referred to in my email yesterday, which your colleagues evidently had technical difficulty downloading from ourpassaic.org.

I am sending them in two emails in the hope of avoiding the difficulty sometimes associated with sending large files by email. This is the second one, but I think it is a smaller file so you may receive it before the first one.
